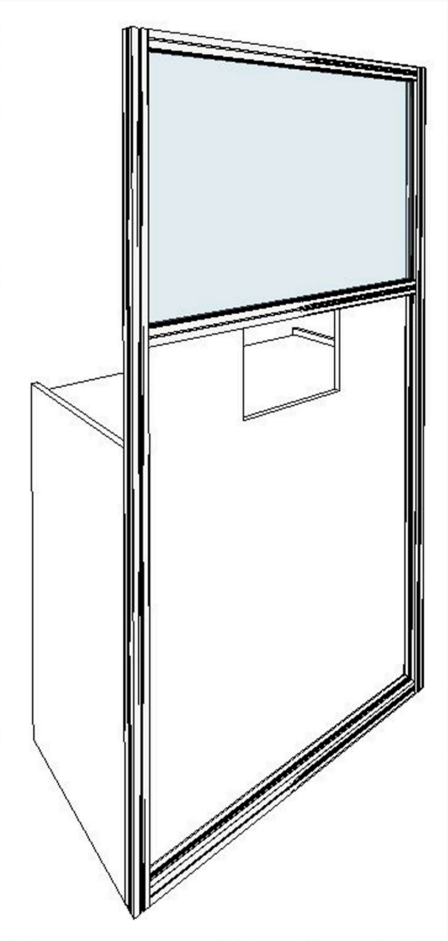
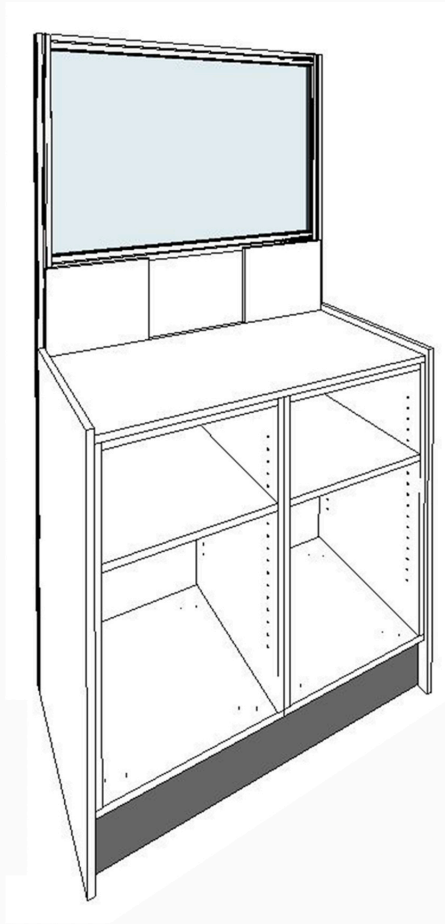
£525.00 + VAT & Delivery
Installation Quoted on Enquiry



Front View



Rear View

Key Features:

- Can be used as a free standing hand out station at the front of the pharmacy away from main counter.
- Can be used to barrier off a pharmacy sales floor to limit full access of patients.
- Manufactured from a robust aluminium frame.
- Screen can be supplied separately to fit into existing counters (Cost on enquiry).
- The joinery components are from our standard dispensary range and can be re used later.
- The aluminium frame design can be used to suit a specific bespoke counter POA.
- Longer term design providing a robust and better aesthetic solution.
